# Innovative Online Software Solutions for Every Business

We are a leading provider of innovative online software solutions, recognized for our strong global presence and commitment to delivering transformative digital experiences. Our solutions are designed to drive efficiency, enhance user engagement, and create measurable value for clients across diverse industries.

# Robust, Fast, and Reliable Solutions

Established in 2017 and headquartered in Mohali, Punjab, India, the company has grown rapidly over the past 8+ years, earning the trust of more than 2000 clients worldwide. With a talented team of 300+ professionals and a modern 25,000 sq. ft. development center, jiWebTech combines innovation, technical expertise, and customer-centric strategies to build powerful, scalable, and secure digital solutions.

Driven by excellence and innovation, we continue to set benchmarks in the global IT landscape, offering future-ready solutions that fuel business growth, accelerate digital transformation, and empower organizations to stay competitive in an ever-evolving technological environment.

## Shiv Charan Panjeta

CEO / Founder

Shiv Charan Panjeta is the Founder of jiWeb Technologies. He brings over 20 years of experience in IT services, driving digital transformation, business turnarounds, and acquisitions. His forward-looking vision of delivering world-class technology solutions and creating meaningful employment for youth has been instrumental in driving jiWebTech's growth and success. Deeply committed to ethical, transparent business practices, Mr. Shiv leads the organization with a strong focus on innovation and long-term value creation. Under his guidance, jiWebTech continues to address global challenges effectively while fostering a culture of responsibility, excellence, and continuous advancement.

# Our Team
